

2022 Teacher Professional Development Appraisal

About the Teacher Professional Development Appraisal

The Teacher Professional Development Appraisal is a system intended to increase the overall education quality and level of satisfaction, by examining the expertise of a teacher's educational activities and providing teachers with a chance for self-appraisal and improvement based on the results.

- Presidential Decree No. 31359 (Jan. 5, 2021) "Regulations on the Training of Teachers" Article 18-23
- Ministry of Education Ordinance No. 320 (Jan. 1, 2020) "Ordinance for the Implementation of the Teacher Professional Development Appraisal"

Who should complete the Teacher Professional Development Appraisal?

- Student Satisfaction Survey: Elementary School 4th grade students - High School 3rd grade students
- Parent Satisfaction Survey: Elementary School 1st grade students - High School 3rd grade students
- ※ Students and parents of students who have been enrolled for less than two months are excluded from participating.

How to complete the Teacher Professional Development Appraisal

	2022
How to participate	PC + mobile phones
Evaluation subjects	Evaluation of a teacher of your choice
Teacher introduction	Educational activities introduced in various ways (Materials related to remote learning, etc.)

- Evaluation content: Entirety of the teacher's educational activities
- Evaluation period: September-November 2022 (※ The evaluation period for a school shall be determined within this period.)
- Survey composition: Survey questions are composed of 5-point checklist questions and descriptive questions (Only descriptive questions are available for elementary school students.)
- ※ Inappropriate answers with prohibited and vulgar terms in the descriptive questions shall not be shared with teachers, to prevent infringement of teachers' rights.

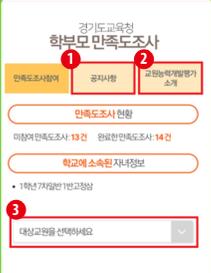

The Teacher Professional Development Appraisal is used in the following ways.

- Schools: It is used to enhance teachers' skills and as a reference for the next school year.
- Teachers: It is used to examine teachers' educational activities and improve their expertise.
- Public: The surveys and results are posted in the school news (April 2023).

A School's Education Quality and Level of Satisfaction Can Be Improved With the Participation of Students and Parents
